

BUILD Magazine Announces Home Builder Awards 2018 Winners.

United Kingdom, 2018- BUILD Magazine has announced winners of the Home Builder Awards 2018.

Best Home Staging & Interior Decorating Company - Greater Toronto Area

Build is pleased to present Hope Designs of Toronto with the award for the Best Home Staging & Interior Decorating Company, Greater Toronto Area

Now in its second year, the acclaimed Home Builder Awards 2018 aim to show gratitude to the innovative and ground-breaking firms and individuals across the sector. Whilst celebrating the industry itself, we also wish to provide recognition to the leading businesses and their individuals - paying tribute to the exceptional work they have carried out over the past 12 months.

Discussing the success of these deserving winners, Sam Jordan-Turner, Awards Coordinator commented: "These coveted awards cover all aspects of home building, from businesses who are involved in the very beginning of a project, to those at the very end – and everyone in between. From engineers to architects; and builders to tradespeople, we understand every discipline plays a vital role, and as such we are proud of each and every one of our deserving winners, and I wish them every success for the future."

To find out more about these prestigious awards, and the dedicated professionals selected for them, please visit <http://www.build-review.com/> where you can view our winners supplement and full winners list.

About BUILD

Published monthly, BUILD endeavours to bring you the latest need-to-know content and updates from across the global construction and property industries.

Keeping pace with a vast array of ever-changing sectors thanks to regular contributions from some of the world's foremost construction, design and real estate experts and firms, Build is home to the very best news, features and comment from the people and institutions in the know. Taking in everything from the latest products and techniques, to up-to-the-minute design trends and industry-moulding regulations, BUILD should be the first port of call for any construction or property professional looking to remain on the cutting edge when it comes to their or related industries.
